

## Civics Questions and Answers for the 65/20 Special Consideration (2020 version)

Listed below are the questions and answers from the 2020 version of the civics test for those who qualify for the 65/20 special consideration.

The Immigration and Nationality Act provides special consideration for applicants who, at the time of filing their Form N-400, Application for Naturalization, are aged 65 years old or older, and who have been living in the United States as a lawful permanent resident for at least 20 years. Instead of studying all 128 civics questions, qualifying applicants are only required to study the 20 questions that have been marked with an asterisk (★) found at the end of each question. Applicants who qualify for the 65/20 special consideration are exempt from the English requirements and may take the civics test in the language of their choice.

The civics test is an oral test and covers important topics about American government and history. If you qualify for the 65/20 special consideration, a USCIS officer will ask you to answer 10 out of the 20 civics test questions with an asterisk. You must answer at least 6 out of 10 questions (or 60%) correctly to pass the 2020 version of the civics test. On the civics test, some answers may change because of elections or appointments. Visit [uscis.gov/citizenship/testupdates](https://uscis.gov/citizenship/testupdates) to find any answers that may have changed on the civics test. You must answer the question with the name of the official serving at the time of your naturalization interview.

Although USCIS is aware that there may be additional correct answers to the civics questions, applicants are encouraged to respond to the questions using the answers provided below.
