If no data is present in a cell, this "-" represents zero.

<sup>1</sup> An H-2A is an alien coming temporarily to perform agricultural labor or services of a temporary or seasonal nature filed by a U.S. employer, its U.S. agent or an association of U.S. agricultural producers named as a joint employer on the temporary labor certification.  
agent or an association of U.S. agricultural producers named as a joint employer on the temporary labor certification.

<sup>2</sup> The number of new petitions received and entered into a case-tracking system during the reporting period.

<sup>3</sup> The number of petitions approved during the reporting period.

<sup>4</sup> The number of petitions that were denied, terminated, or withdrawn during the reporting period.

<sup>5</sup> The number of petitions awaiting a decision as of the end of the reporting period.

<sup>6</sup> Represents the state that the company or U.S. agent is located in and not necessarily where the work will be performed.

NOTE: 1) Some applications approved, denied, or pending a decision may have been received in prior reporting periods.

2) The report reflects the most up-to-date estimate available at the time the report is generated.

3) A petition may be made for 1 or more workers.
