If no data is present in a cell, this "-" represents zero.
¹ An I-2A is an alien coming temporarily to perform agricultural labor or services of a temporary or seasonal nature filed by a U.S. agent or an association of U.S. agricultural producers named as a joint employer on the temporary labor certification.
² The number of new petitions received and entered into a case tracking system during the reporting period.
³ The number of petitions approved during the reporting period.
⁴ The number of petitions that were denied, terminated, or withdrawn during the reporting period.
⁵ The number of petitions awaiting a decision as of the end of the reporting period.
⁶ Represents the state that the company or U.S. agent is located in and not necessarily where the work will be performed.
NOTE: If some applications approved, denied, or pending a decision have been received in prior reporting periods.
2) The report reflects the most up-to-date estimate available at the time the report is generated.
3) A petition may be made for 1 or more workers.
4) We are only providing the last 4 numbers of the FIM to protect PII.
