Table Key:

- Represents zero or round to 0.0

Reference(s):

¹ An H-2A is an alien coming temporarily to perform agricultural labor or services of a temporary or seasonal nature filed by a U.S. employer, its U.S. agent or an association of U.S. agricultural producers named as a joint employer on the temporary agent or an association of U.S. agricultural producers named as a joint employer on the temporary labor certification.

² The number of new petitions received and entered into a case-tracking system during the reporting period.

³ The number of petitions approved during the reporting period.

⁴ The number of petitions that were denied, terminated, or withdrawn during the reporting period.

⁵ The number of petitions awaiting a decision as of the end of the reporting period.

⁶ Represents the state that the company or U.S. agent is located in and not necessarily where the work will be performed.

Note(s):

1) Some applications approved, denied, or pending a decision may have been received in prior reporting periods.

2) The report reflects the most up-to-date database available at the time the database is queried.

3) Counts may differ from those reported in previous periods due to system updates and post-adjudicative outcomes.

4) For a complete list of USCIS forms and descriptions, visit <https://www.uscis.gov/forms>.

5) Approvals reflect the initial decision on a case. The case may have been reopened and revoked at a later date.

6) A petition may be made for one or more workers.

7) Only the last four numbers of the FEIN are provided to protect privacy.

8) FEIN = Federal Employer Identification Number
