The Honorable R. Alexander Acosta
Secretary
U.S. Department of Labor
200 Constitution Avenue, NW
Washington, DC 20510

Dear Secretary Nielsen and Secretary Acosta:

As representatives of small and seasonal employers throughout the country, the H-2B Workforce Coalition urges you to immediately resume processing H-2B visas up to the full number of visas authorized by the Fiscal 2018 Omnibus Appropriations Act. Without immediate action, many employers across the country will be without the critical workforce they need to operate this spring and summer. These businesses may not be able to fulfill contracts. They could be forced to turn away customers, lay off American workers whose jobs are supported by H-2B workers, and in some cases shut down their operations entirely.

In a strong economy with record-low unemployment, the program's arbitrary cap of 66,000 visas established in 1992 is inadequate to meet the bona fide seasonal labor needs of many businesses. For FY 2018, the 33,000 first half cap was met on December 15, 2017 and the 33,000 second half cap was met on February 27, 2018. Since the beginning of the fiscal year, the Department of Labor (DOL) has certified petitions for 133,815 H-2B workers, including 80,744 positions for workers beginning on April 1. DOL only issues final labor certification when it concludes that:

- There are not sufficient U.S. workers who are qualified and who will be available to perform the temporary services or labor for which an employer desires to hire foreign workers; and that
- The employment of H-2B workers will not adversely affect the wages and working conditions of similarly employed U.S. workers.

DOL's final certifications clearly demonstrate, in concurrence with the Fiscal 2018 Omnibus Appropriations Act statutory requirement, that there are not a sufficient number of U.S. workers who are willing, qualified and able to fill over 80,000 positions so desperately needed by seasonal employers. In almost every situation where the DOL has already certified the insufficiency of US workers on an employer by employer basis, the failure to issue additional visas will cause irreparable harm to the business and its American workers, thereby meeting the Congressionally mandated standard for the discretionary release of additional visas. We, therefore, urge the Department of Homeland Security (DHS) to immediately resume processing

SCANNED/RECEIVED
BY EXEC SEC
2018 APR 11 PM 4:20

H-2B visas up to the full number of visas authorized by the recent law.

DHS needs no further consultation with DOL to immediately resume visa processing. The same language was included in the FY17 Omnibus appropriations bill. DHS and DOL conducted public notice and public outreach in July of 2017 and DHS, issued an *Exercise of Time-Limited Authority to Increase the Fiscal Year 2017 Numerical Limitation for the H-2B Temporary Nonagricultural Worker Program* on July 19, 2017. 82 Fed. Reg. 32987 (“Temporary Rule”). That rulemaking need not be reinvented now, only 8 months after the Departments last reviewed and completed a rulemaking process on this exact issue. This is not a situation where the agencies would be reviewing new legislative authority or new technical facts that might lead to a different conclusion.¹ No substantive legal difference exists between last year’s agency action and the enactment of the FY18 omnibus. Given the significant harm seasonal businesses and their American workers face, we urge you to reinstate the rule immediately and resume processing H-2B visas up to the full number visas authorized by the Fiscal 2018 Omnibus Appropriations Act.

It is clear that without immediate action by DHS and DOL, nearly 70% of seasonal positions for the second half of fiscal 2018 will go unfulfilled due to cap limitations. The lack of H-2B workers jeopardizes the survival of seasonal businesses and puts their American workers at risk of losing their jobs.

The H-2B program is essential to employers who cannot find local temporary workers to fill jobs in seafood processing, horse training, hospitality and amusement parks, forestry, landscaping, circuses, carnivals, food concessionaires, swimming pool maintenance, golf courses, stone quarries and other seasonal industries. These seasonal businesses need H-2B workers to supplement their American workforce.

The H-2B program relies on well-vetted returning workers who come to the U.S. for seasonal employment and then go home. These workers are not immigrants. They provide an opportunity for U.S. businesses to operate at a greater capacity, retain their full-time workers and contribute to their local economies. Seasonal workers help support many upstream and downstream jobs. Every H-2B worker is estimated to create and sustain 4.64 American jobs.

Relief for seasonal businesses that use the H-2B program is desperately needed. We urge you to immediately resume processing H-2B visa petitions up to the full number of H-2B visas authorized by the Fiscal 2018 Omnibus Appropriations Act.

Sincerely,

National Organizations

¹ Cf. *Wyoming v. United States Dept. of Interior*, 674 F.3d 1220, 1230 (10th Cir. 2012) (challenge to earlier temporary rule moot because intervening temporary rule was “supported by new analysis and a rulemaking process independent of that underlying the [previous] temporary rule”).

Ms. Laurie-Ann Flanagan
Executive Vice President
D.C. Legislative and Regulatory Services, Inc.
2221 S. Clark Street, 11th Floor
Arlington, Virginia 22202

Dear Ms. Flanagan:

Thank you for your April 11, 2018 letter. Secretary Nielsen asked that I respond on her behalf.

Your letter urges Secretary Nielsen and Secretary Acosta to approve additional H-2B petitions pursuant to the H-2B visa provisions contained in the Consolidated Appropriations Act, 2018 (Public Law 115-141), which was signed by the President on March 23, 2018.

This provision authorized Secretary Nielsen, in consultation with Secretary Acosta, to determine whether to increase, and if so, by how many (within specified parameters), the number of available H-2B visas for fiscal year (FY) 2018. In making her decision to increase the number of H-2B visas, the Secretary carefully weighed several factors, including whether U.S. workers may be harmed by any such increase.

On May 31, 2018, the U.S. Department of Homeland Security (DHS) and U.S. Department of Labor published a temporary final rule increasing the cap on H-2B nonimmigrant visas by up to 15,000 additional visas through the end of FY 2018. The Secretary does not intend to reopen the supplemental cap for FY 2018.

As with the essentially identical provision in the FY 2017 Omnibus, DHS did not ask for, and does not believe it is appropriate to have, the discretion to authorize the issuance of additional H-2B visas, in general, and specifically under a supplemental cap. I share Secretary Nielsen's opinion that Members of Congress have the best information to know the correct number of H-2B visas needed to support American businesses without harming American workers because congressional representatives have the best understanding of their constituencies and the needs of their local employers.

Further, I share the Secretary's desire to work together with Congress to find solutions to most effectively allocate available H-2B visas throughout the year, while also protecting U.S. workers in the process. DHS will be submitting a congressionally mandated report that details options for addressing the issue of late-season filers in the H-2B program, resulting in their inability to obtain H-2B workers. This report will include suggestions on how the program

Ms. Laurie-Ann Flanagan

Page 2

can better serve our national interest. In the meantime, DHS continues to take steps of its own in this regard, including advising members of the public who may have information about a participating employer who is abusing the H-2B program on how to file a report through ReportH2BAbuse@uscis.dhs.gov.

Thank you again for your letter and interest in this important issue. Please share this response with the cosigners of your letter. Should you wish to discuss these matters further, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "L. Francis Cissna". The signature is stylized with a large "L" and a cursive "Cissna".

L. Francis Cissna
Director
