SCANNED/RECEIVED

The Honorable Kirstjen Nielsen  
Secretary  
U.S. Department of Homeland Security  
3801 Nebraska Avenue, NW  
Washington, DC 20528

The Honorable R. Alexander Acosta  
Secretary  
U.S. Department of Labor  
200 Constitution Avenue, NW  
Washington, DC 20510

Dear Secretary Nielsen and Secretary Acosta:

Now that the Consolidated Appropriations Act for fiscal year (FY) 2018 has been signed into law, we urge you to take decisive action without delay to ensure small and seasonal businesses in our states can get the workers necessary for a successful season. Due to the time-sensitive nature of seasonal businesses, we also urge you to take immediate steps to re-open the petition process and adjudicate any pending labor certifications that demonstrate the requirements set forth in this legislation. We believe your Departments can take these actions, using the authority provided under this law, without the need for additional rulemaking.

Under Division M, Extensions, Title II, Section 205 of the FY 2018 Consolidated Appropriations Act (P.L. 115-141), the Secretary of Homeland Security, in consultation with the Secretary of Labor, has the authority to approve petitions for admission under the H-2B Nonimmigrant Temporary Worker program up to the new statutory level set in the bill for the current fiscal year.

Small and seasonal businesses help our local communities thrive. In fact, small businesses across the country often rely on seasonal H-2B workers to help them operate during their peak seasons throughout the year. As you know, the statutory allocation for H-2B visas for the current fiscal year was reached on February 27, 2018. As a result, many small businesses are left unable to get the workers they need, leading to potential reductions in operating hours or closures. Under the authority provided by Congress, the Department of Homeland Security can immediately help businesses hire the workers they need and help local economies as they head into their peak seasons.

We encourage you to make efforts to allow for efficient processing of additional H-2B visa applications and request that you inform us as soon as possible as to the process you will use to issue additional H-2B visas and the number of additional H-2B visas you intend to issue. This will not only help to alleviate concerns among employers, but it will also reduce the inevitable time-consuming inquiries to your agencies. By taking the necessary steps now, your agencies can streamline the process and help employers get their employees sooner.

Thank you for your attention to this important issue. We thank you for your consideration of this request and urge that you act as soon as possible.

Sincerely,

Jack Bergman

The Honorable Jack Bergman  
U.S. House of Representatives  
Washington, DC 20515

Dear Representative Bergman:

Thank you for your March 30, 2018 letter. Secretary Nielsen asked that I respond on her behalf.

Your letter urges Secretary Nielsen and Secretary Acosta to take decisive action regarding the H-2B visa provisions contained in the Consolidated Appropriations Act, 2018 (Public Law 115-141), signed by the President on March 23, 2018.

As a general matter, there is statutory cap of 66,000 on the total number of foreign nationals who may be issued an H-2B visa or otherwise granted H-2B status during a fiscal year. *See* Immigration and Nationality Act (INA) § 214(g)(1)(B). Up to half of that allocation (33,000) is available during the first half of any given fiscal year, and the remainder is available during the second half of the fiscal year. *Id.* § 214(g)(10). However, section 205 of Div. M of the Consolidated Appropriations Act, 2018, Pub. L. 115-141, which was signed into law by the President on March 23, 2018, provides the Secretary of Homeland Security with discretion, after consultation with the Secretary of Labor, to increase the H-2B cap for the current fiscal year under prescribed circumstances.

As with the essentially identical provision authorizing the Secretary to augment the H-2B statutory cap in fiscal year 2017, the Department did not ask for, and does not wish to have, this discretion. I share Secretary Nielsen's opinion that Members of Congress have the best information to know the "right" number of H-2B visas needed to support American businesses without harming American workers.<sup>1</sup> This is because congressional representatives have the best understanding of their constituencies and the needs of their local employers.

Further, I share the Secretary's desire to work together with Congress to limit H-2B visas to employers with truly temporary needs, and to find solutions to most effectively allocate available H-2B visas throughout the year. As Secretary Nielsen noted to lawmakers during her April 11 testimony, Congress placed limitations on H-2B visas to protect American workers. But it also clearly could not have been Congress's intent for the lawful administration of the program to put American employers out of business.
