**NOTICE OF TERMINATION**  
**Termination of Designation Under the Immigrant Investor Program**  
**Live in America – Florida Regional Center, LLC**

The regulation at 8 C.F.R. § 204.6(m)(6) (*Continued participation requirements for regional centers*) provides:

(i) Regional centers approved for participation in the program must:

(A) Continue to meet the requirements of section 610(a) of the Appropriations Act.

(B) Provide USCIS with updated information annually, and/or as otherwise requested by USCIS, to demonstrate that the regional center is continuing to promote economic growth, including increased export sales, improved regional productivity, job creation, and increased domestic capital investment in the approved geographic area, using a form designated for this purpose; and

(C) Pay the fee provided by 8 CFR 103.7(b)(1)(i)(XX).

(ii) USCIS will issue a notice of intent to terminate the designation of a regional center in the program if:

(A) A regional center fails to submit the information required in paragraph (m)(6)(i)(B) of this section, or pay the associated fee; or

(B) USCIS determines that the regional center no longer serves the purpose of promoting economic growth, including increased export sales, improved regional productivity, job creation, and increased domestic capital investment.

(iii) A notice of intent to terminate the designation of a regional center will be sent to the regional center and set forth the reasons for termination.

(iv) The regional center will be provided 30 days from receipt of the notice of intent to terminate to rebut the ground or grounds stated in the notice of intent to terminate.

(v) USCIS will notify the regional center of the final decision. If USCIS determines that the regional center's participation in the program should be terminated, USCIS will state the reasons for termination. The regional center may appeal the final termination decision in accordance with 8 CFR 103.3.

(vi) A regional center may elect to withdraw from the program and request a termination of the regional center designation. The regional center must notify USCIS of such

election in the form of a letter or as otherwise requested by USCIS. USCIS will notify the regional center of its decision regarding the withdrawal request in writing.

### **I. Procedural History**

On November 18, 2013, USCIS designated and authorized the Regional Center's participation in the Program. On February 1, 2017, USCIS issued a Notice of Intent to Terminate ("NOIT") to the Regional Center which afforded the Regional Center 30 days from receipt of the NOIT to offer evidence in opposition to the grounds alleged in the NOIT. On February 23, 2017, USCIS received a response to the NOIT (the "NOIT Response"), which did not sufficiently address the grounds alleged in the NOIT. Accordingly, USCIS has determined that the Regional Center's participation in the Program should be terminated. Pursuant to 8 C.F.R. § 204.6(m)(6)(v) and through this Notice of Termination, USCIS hereby terminates the Regional Center's participation in the Program.

### **II. Reasons for Termination**

USCIS has determined that the Regional Center no longer serves the purpose of promoting economic growth, including increased export sales, improved regional productivity, job creation, or increased domestic capital investment as required by 8 C.F.R. § 204.6(m)(6).

#### **A. Failure to Continue to Serve the Purpose of Promoting Economic Growth**

Regional centers are designated for the promotion of economic growth and must continue to meet the requirements of section 610(a) of the Appropriations Act as amended, and promote economic growth in a manner that does not conflict with requirements for classification under section 203(b)(5) of the Immigration and Nationality Act ("INA"), removal of conditions on lawful permanent residence under section 216A of the INA, and implementing regulations following their designation. According to section 610(a) of the Appropriations Act, economic growth includes increased export sales, improved regional productivity, job creation, or increased domestic capital investment. *See also* 8 C.F.R. § 204.6(m)(6)(ii) ("USCIS will issue a notice of intent to terminate the designation of a regional center in the program if . . . USCIS determines that the regional center no longer serves the purpose of promoting economic growth, including increased export sales, improved regional productivity, job creation, and increased domestic capital investment.").

The reasons why a regional center may no longer serve the purpose of promoting economic growth are varied and "extend beyond inactivity on the part of a regional center." 75 FR 58962. For example, depending on the facts, a regional center that takes actions that undermine investors' ability to comply with EB-5 statutory and regulatory requirements such that investors cannot obtain EB-5 classification through investment in the regional center may no longer serve the purpose of promoting economic growth. *See* Section 610(a)-(b) of the Appropriations Act (stating that one purpose of a regional center is to concentrate pooled investment in defined economic zones and accomplishing such pooled investment by setting aside visas for aliens classified under INA 203(b)(5)). Likewise, a regional center that fails to

engage in proper monitoring and oversight of the capital investment activities and jobs created or maintained under the sponsorship of the regional center may no longer serve the purpose of promoting economic growth in compliance with the Program and its authorities.

When derogatory information arises (such as evidence of inaction, mismanagement, theft, or fraud by the regional center or related entities), USCIS weighs all relevant factors in the totality of the circumstances to determine whether the regional center is continuing to serve the purpose of promoting economic growth. Such factors may include the seriousness of the derogatory information, the degree of regional center involvement in the activities described in the derogatory information, any resulting damage or risk imposed on investors and the economy, as well as any mitigating, corrective, or restorative actions taken or forthcoming to redress the situation.

USCIS has considered all evidence in the record including evidence provided in response to the NOIT “for relevance, probative value, and credibility, both individually and within the context of the totality of the evidence,” in determining whether the Regional Center’s continued participation is justified under the regulations by a preponderance of the evidence. *See Matter of Chawathe*, 25 I&N Dec. 369, 376 (AAO 2010). For the reasons set forth below, USCIS has determined by a preponderance of the evidence that the Regional Center no longer serves the purpose of promoting economic growth in compliance with the Program.

#### ***1. Lack of Regional Center Activity***

As noted in the NOIT, the Regional Center’s Form I-924A filings for fiscal years 2014, 2015, and 2016 do not report any EB-5 capital investment or job creation. In addition, although USCIS designated the Regional Center on November 18, 2013, the Form I-924A filings do not report any pending or approved Forms I-526 filed by petitioners who have made or are actively in the process of making investments associated with the Regional Center.

In response to the NOIT, the Regional Center provided the following evidence:

- Letter from Richard Marquard, Senior Vice President of Live in America Financial Services, LLC (LIA), dated February 21, 2017.

In his letter, Richard Marquard points out that the Regional Center is owned by Live in America Financial Services, LLC (“LIA”), which owns and operates a network of regional centers and has several EB-5 job-creating projects that have been submitted and/or approved by USCIS. He claims that based on LIA’s “proven ability to get projects done and promote economic activity”, LIA “expect[s] to continue that success in the Regional Center territory.” However, as stated by Mr. Marquard, these other EB-5 projects are independent of the Regional Center. Indeed, all of the projects described in Mr. Marquard’s letter are sponsored by other, separate regional centers under LIA’s management.

The regulations require each regional center to continue to meet the requirements of section 610(a) of the Appropriations Act. *See*, 8 C.F.R. § 204.6(m)(6)(i)(A). Further, each individual regional center must demonstrate that it continues to promote economic growth, “in the approved geographic area”, as required

by 8 C.F.R. § 204.6(m)(6)(i)(B). The Regional Center has not submitted evidence to demonstrate that it has directly sponsored or developed any EB-5 projects. More specifically, the Regional Center has not submitted evidence to demonstrate that it has promoted economic growth in the approved geographic area as required by 8 C.F.R. § 204.6(m)(6)(i)(B). The Regional Center cannot rely on EB-5 projects that are outside of its approved geographical area. Further, the Regional Center cannot rely on the EB-5 projects which have been sponsored independently by its owner or another regional center. Here, Mr. Marquard concedes that the Regional Center, during its existence, has not identified or made progress on any EB-5 projects. Thus, the Regional Center has not satisfied the requirements of section 610(a) of the Appropriations Act because it has failed promote economic growth within its approved geographic area.

All of the potential projects that may be sponsored by the Regional Center described by Mr. Marquard in his letter speak to only to future aspirational goals of the Regional Center. For instance, Mr. Marquard claims that the Regional Center is exploring and actively seeking investment opportunities, that is has met with EB-5 project candidates, and that the Regional Center anticipates that it will sponsor EB-5 projects in the future. These statements relate to the future aspirational goals of the Regional Center and do not establish that the Regional Center has actually continued to promote economic growth. Similarly, Mr. Marquard's statements that the Regional Center has strategic partnerships with other entities such as the LCP Group, L.P., Crescent Hotels and Resorts, and Lexington Realty Trust, Inc. (which may give rise to future EB-5 projects) are merely aspirational and not supported by any evidence in the record showing that the Regional Center has actually engaged with those prospective partners. Here, the record lacks evidence to establish that the Regional Center has actually engaged in the promotion of economic growth or that it is likely to promote economic growth in the near future through any of its proposed projects or partnerships.

The Regional Center has not provided any other evidence of the promotion of economic growth since its designation on November 18, 2013. As of the date of this Notice, USCIS has no record of any other projects under the sponsorship of or development by the Regional Center.

In conclusion, the Regional Center has not provided sufficient evidence to show that it has, since its designation as a regional center in the EB-5 Program, promoted economic growth by means of increased export sales, improved regional productivity, job creation, or increased domestic capital investment. Further, it has not provided sufficient evidence to show that such economic growth is imminent or will occur within a reasonable time.

In the absence of evidence of increased export sales, improved regional productivity, job creation, or increased domestic capital investment, USCIS concludes that the Regional Center no longer serves the purpose of promoting economic growth.

### **III. Conclusion**

For the reasons described above and set forth in the NOIT and pursuant to 8 C.F.R. 204.6(m)(6), USCIS has determined that the Regional Center no longer serves the purpose of promoting economic growth and hereby terminates the Regional Center's participation in the Program.
