Mr. Calvin MacKay  
US HITEC Regional Center – **Designation Terminated**  
100 SW Water St  
Peoria, IL 61602

### **Notice of Termination**

This letter shall serve as notification that U.S. Citizenship and Immigration Services (USCIS) has terminated the designation of US HITEC Regional Center ("US HITEC") as a regional center under the Immigrant Investor Program ("Program") pursuant to Title 8 of the Code of Federal Regulations (8 CFR) section 204.6(m)(6).

The regulation at 8 CFR § 204.6(m)(6) provides:

Termination of participation of regional centers. To ensure that regional centers continue to meet the requirements of section 610(a) of the Appropriations Act, a regional center must provide USCIS with updated information to demonstrate the regional center is continuing to promote economic growth, improved regional productivity, job creation, or increased domestic capital investment in the approved geographic area. Such information must be submitted to USCIS on an annual basis, on a cumulative basis, and/or as otherwise requested by USCIS, using a form designated for this purpose. USCIS will issue a notice of intent to terminate the participation of a regional center in the pilot program if a regional center fails to submit the required information or upon a determination that the regional center no longer serves the purpose of promoting economic growth, including increased export sales, improved regional productivity, job creation, and increased domestic capital investment. The notice of intent to terminate shall be made upon notice to the regional center and shall set forth the reasons for termination. The regional center must be provided 30 days from receipt of the notice of intent to terminate to offer evidence in opposition to the ground or grounds alleged in the notice of intent to terminate. If USCIS determines that the regional center's participation in the Pilot Program should be terminated, USCIS shall notify the regional center of the decision and of the reasons for termination. As provided in 8 CFR 103.3, the regional center may appeal the decision to USCIS within 30 days after the service of notice.

On September 8, 2014, USCIS issued to US HITEC a Notice of Intent to Terminate (NOIT) the US HITEC Regional Center, which afforded US HITEC 30 days from receipt of the

notice to offer evidence in opposition to the grounds alleged in the NOIT. The evidence submitted in response to the NOIT, received on October 15, 2014, well past the 30 day response period, does not meet the preponderance of evidence standard to justify allowing US HITEC to continue participating in the EB-5 Program.

### **Reasons for Termination**

- (b)(4) Thus, pursuant to 8 CFR 204.6(m)(6) and for the reasons set forth in the NOIT, USCIS has determined that US HITEC no longer serves the purpose of promoting economic growth, including increased export sales, improved regional productivity, job creation, or increased domestic capital investment. Specifically,

The applicant submitted a PowerPoint presentation of its plan, going forward, which is less substantive or informative than what USCIS expects for a hypothetical project. US HITEC has had more than three years to submit at least one Form I-924 Amendment with an *actual* project, which it has failed to do.

USCIS cannot find a website for US HITEC and, if there has been a website, the applicant did not provide the URL address, as required on Form I-924A.

The evidence suggests that US HITEC has not made sufficient investment of resources to select a suitable project or attract suitable domestic and/or foreign investors.

US HITEC has not provided the preponderance of evidence in opposition to the issues alleged in the NOIT. Accordingly, USCIS terminates US HITEC Regional Center's participation in the Program because US HITEC no longer serves the purpose of promoting economic growth.
